Re: Food Safety Good Manufacturing Practices Inspection

Dear Mr. LaRocca,

On July 6, 2018, the Florida Department of Health ("Department") sent a letter to Surterra Therapeutics ("Surterra") requesting documentation by July 13, 2018, that demonstrates that the following authorized processing facilities had passed a Food Safety Good Manufacturing Practices inspection by a nationally accredited certifying body:

- [REDACTED]
- [REDACTED] Village Square [REDACTED]
[REDACTED]
- [REDACTED]
[REDACTED]

On July 18, 2018, the Department received a response from Surterra. In its responsive letter, Surterra notified the Department that the above processing facilities had not passed a Food Safety Good Manufacturing Practices inspection, and that Surterra has halted processing at its facilities as of 11:59 PM on July 13, 2018. Also on July 18, 2018, the Department sent a response to Surterra, providing requested clarification.

On July 19, 2018, the Department received documentation from Surterra demonstrating that the facility located at [REDACTED] Capitola [REDACTED] passed a Food Safety Good Manufacturing Practices inspection by a nationally accredited certifying body. On July 20, 2018, the Department received documentation from Surterra that the facility located at [REDACTED] Village Square [REDACTED] passed a Food Safety Good Manufacturing Practices inspection by a nationally accredited certifying body. The following documentation was included in the July 19 and July 20 correspondence:

- Audit Confirmation and Certification for the facility located at [REDACTED] Capitola [REDACTED] – Good Manufacturing Practices - Provided by ASI Global – Dated July 19, 2018.
- Audit Confirmation and Certification for the facility located at [REDACTED] Village Square [REDACTED] – Good Manufacturing Practices - Provided by ASI Global – Dated July 20, 2018.

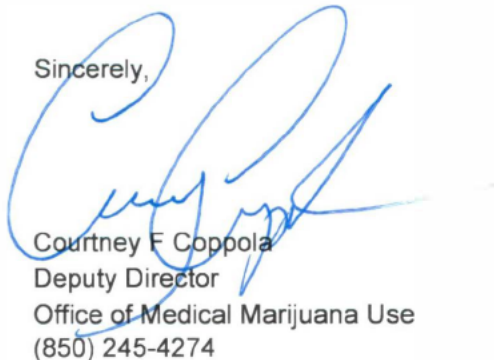

Surterra may resume processing at its facility located at [REDACTED] Capitola [REDACTED] and at its facility located at [REDACTED] Village Square [REDACTED]

Prior to resuming processing at the following facility, Surterra must submit documentation that the facility has passed a Food Safety Good Manufacturing Practices inspection by a nationally accredited certifying body:

- [REDACTED]

If you have any further questions regarding this matter please contact the Department.

Sincerely,
