

MJBizConNEXT

MJBizConNEXT is the place for cannabis business executives, lead cultivators and innovators seeking a forward-looking view into what's NEXT in the cannabis industry: Ernest N. Morial Convention Center (Halls I-2 & J) in New Orleans, June 12-14 2019.

Brought to you by the editors of MJBizDaily, MJBizConNEXT is provides a more personal setting to launch and evolve important industry discussions through peer-to-peer sessions for CEOs, attorneys, cultivators, extraction scientists. MJBizConNEXT identifies new trends, technology and markets you need to understand and to be a key player in the future of the cannabis industry. Cutting-edge general sessions topics include:

- Cannabis Evolution: Products, Cultivation, Extraction
- Level Up: Next Steps for Your Business
- On the Horizon: Emerging Markets and Trends
- Money Matters: Investing in Cannabis
- On the Radar: Innovations in Cannabis Technology
- Future-Proof Your Business

The 250-hand selected exhibitors provide interactive experiences showcasing the impact of innovation on things like plant production, energy efficiency, industry size and community impacts.

Launching alongside MJBizConNEXT this year is The Hemp Industry Daily Conference, a one-stop source for the key market information you need to thrive in this unexplored territory. The conference is a three-day deep dive into business opportunities, the growing consumer demand for hemp and CBD, as well as must-know updates on regulations and legal developments.

“At MJBizConNEXT the pioneers and visionaries of the cannabis industry come together to look at the evolving future of cannabis and the drivers that are pushing it ahead,” said CEO and Co-Founder of MJBizDaily, Cassandra Farrington. “They are here to leverage technology, to meet and learn from their fellow peer executives, and to prepare for what’s to come as legalization lingers in the background and we pave the way to building a safe, regulated industry.”
